ONE IF BY LAND

GRAND CIVIC AND MILITARY PROCESSION In Philadelphia, February 22d, 1832, being the 100th Anniversary OF GEORGE WASHINGTON The Soldier and Statesman—the Brave and

The day was opened in on Wednesday morning with salvo's of cannon from the Arsenal in the city, and the Navy Yard, two salutes of 100 guns were discharged; and at a very early hour the first movement through the different streets of citizens and strangers of every age and both sexes gave notice of the full determination of all to share in, or witness the ceremonies prepared for the occasion. Every circumstance of the weather was favorable to the proposed festivity, and had been taken by the proper authorities to remove as far as possible the usual difficulties through which the procession was to pass.

The different naval vessels in the river were decorated with flags, ensigns and streamers, and the steamer boats listened from their masts in the morning sun. The public buildings of the city and suburbs, as well as many private ones, displayed flags upon the occasion, which above glistened in the early rays.

About five o'clock A.M. the different Trades, Fire Companies, and Military Corps, were seen organizing in their respective places of rendezvous—and the last moment of citizens with the badge of the day and the different insignia of their craft and their official rank, was highly interesting and令人着迷的, while cheerful activity beamed in every face, and showed itself in the buoyancy of every step. When the different companies had been separately organized, they were marched into Third street, to take their stations in the line according to previous arrangements—but as it was impossible that such immense numbers with care, as could pass, to be formed into line, those that were not to be first in the order, were marched into Pine street, Walnut, Chestnut, Arch street, &c. and thus marshalled into the general line as the prescribed situation was opened by the passing of the procession.

The streets through which the procession was to pass were crowded an early hour. The side walk and carriage ways were filled with gazing pedestrians, who took occasional jostlings with evident good nature, as if sure that in such a dense mass, the shock which each received would of necessity be conveyed to another.

At about half past ten o'clock the procession started up Third street, preceded by

GRADUATION

On June 6, 1975 as relatives, friends, and students gathered in the quadrangle, the senior class prepared to graduate from Country Day. A great deal of time and effort went into the preparation for the day. The grade mothers and various student "volunteers" spent hours arranging hanging baskets, preparing food, and unfolding chairs. The administration filled days pondering various technical questions concerning awards and speakers. However the seniors had spent the most time of all; twelve years of work in preparation for this single day.

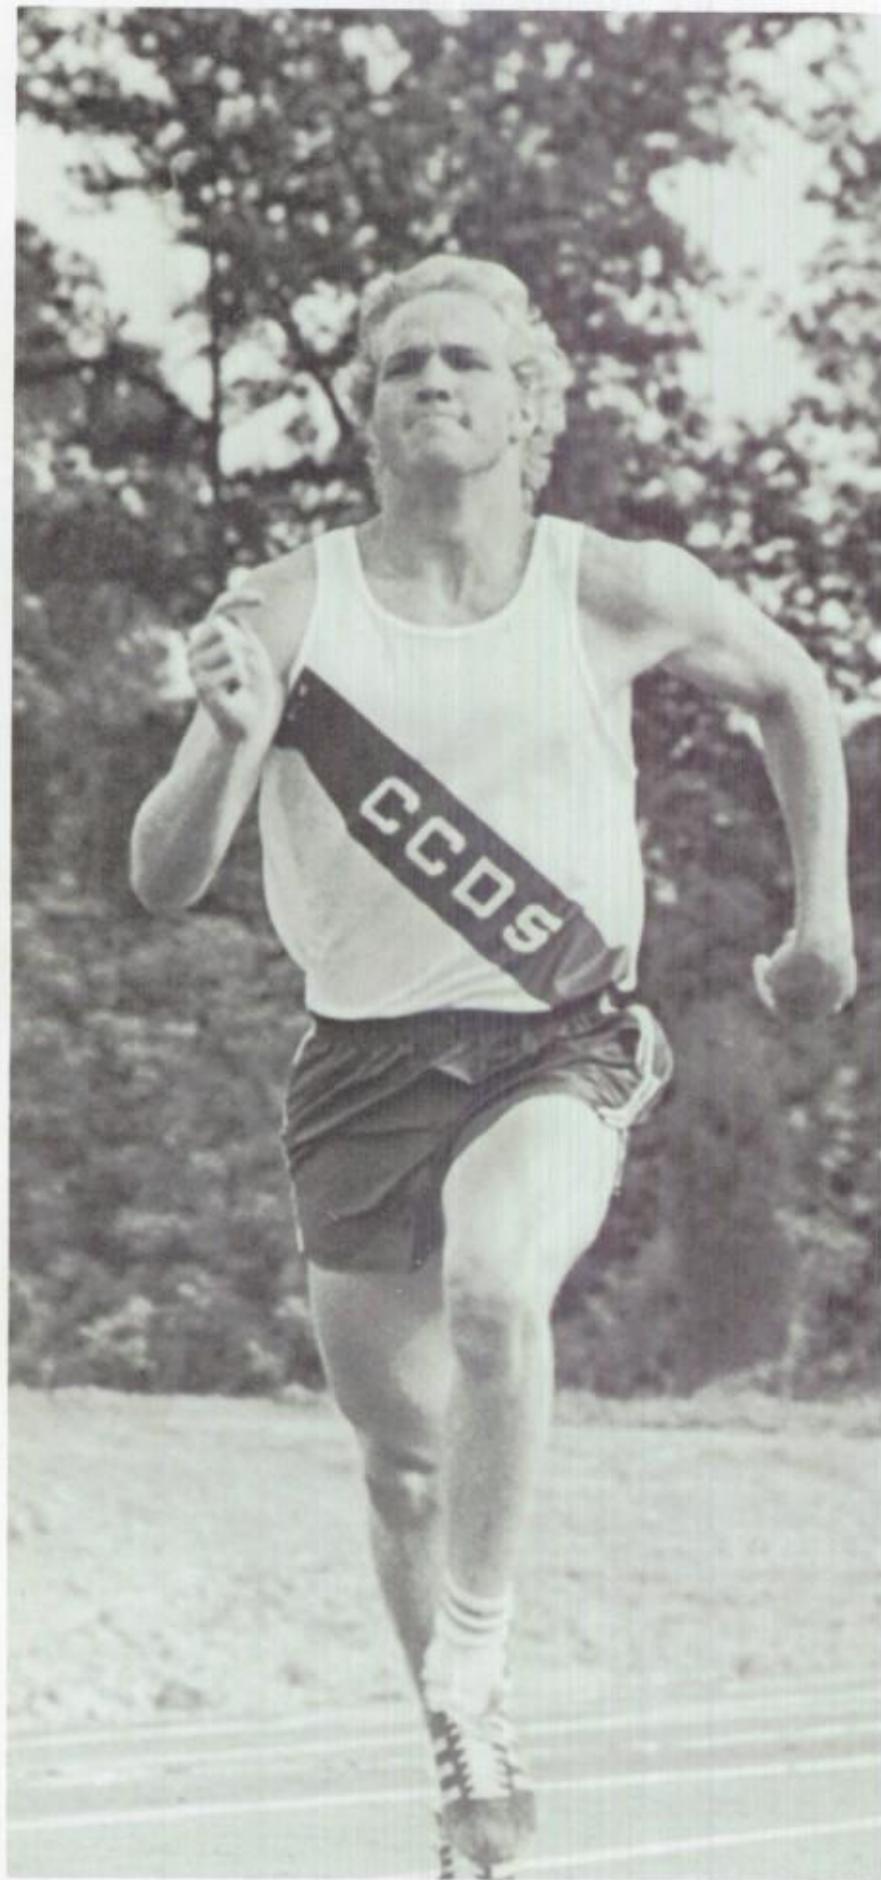

The administration finally decided upon Dr. Anthony Abbott, a professor of English at Davidson, as the guest speaker for this memorable day. Several students were presented with various awards. Jenny Burns received the "Senior of the Year Award", and the Morehead Scholarship, as well as being the speaker on behalf of the senior class. Siri Wannamaker was named the Top Scholar. Alicia White was awarded the Victoria Ludorum and Worth Burke received the Athlete's Cup.

The Postscript Staff extends its best wishes to the graduating class of 1975 for success in all their future endeavors.

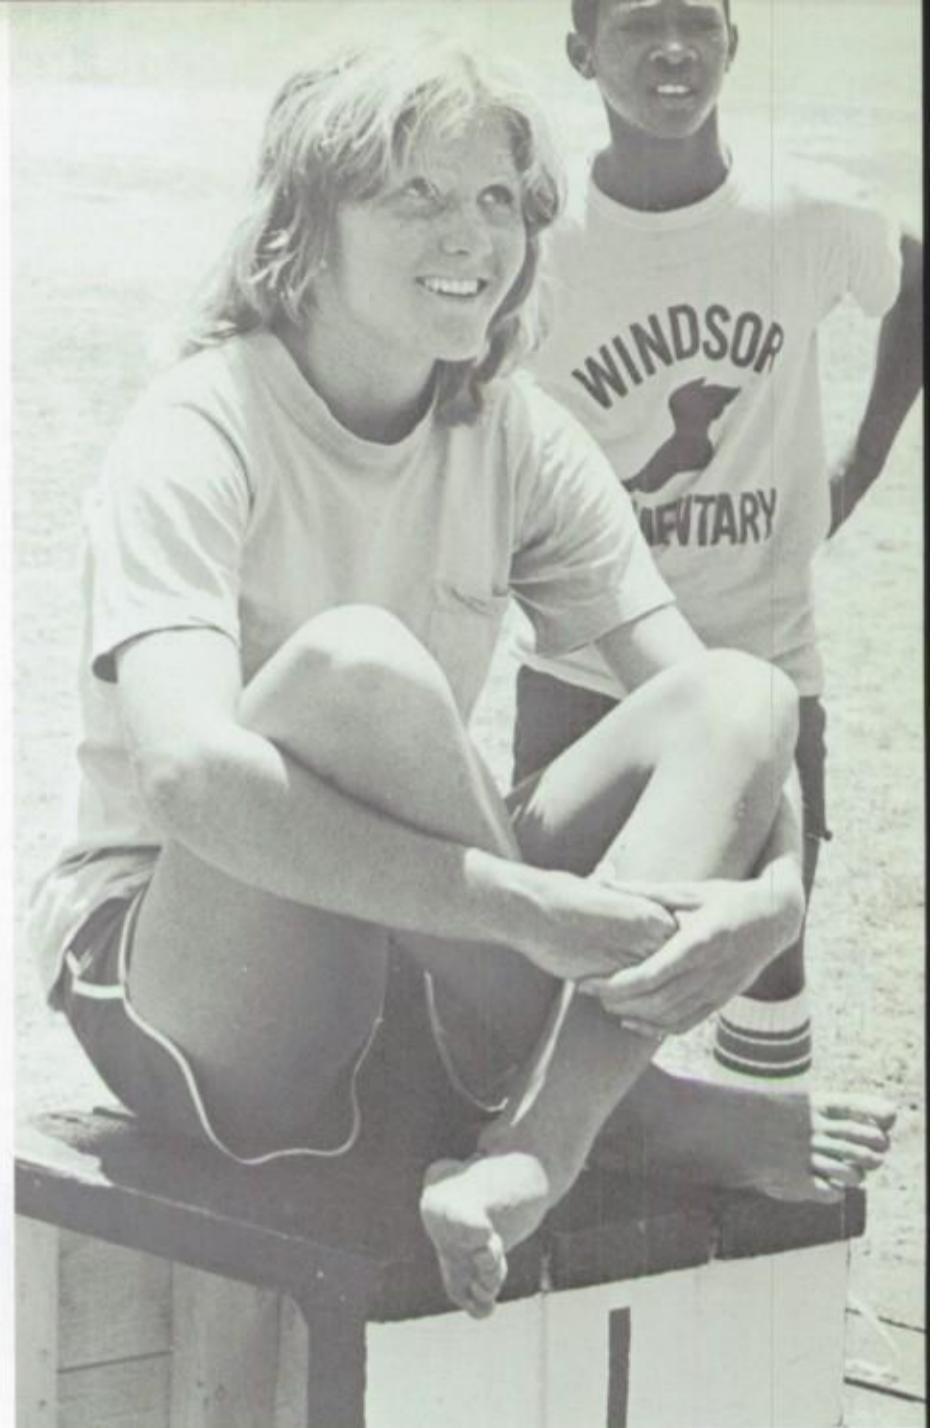

The POSTSCRIPT staff proudly salutes the 1975 Varsity Track Team for bringing the North Carolina Independent School State Championship to Country Day.

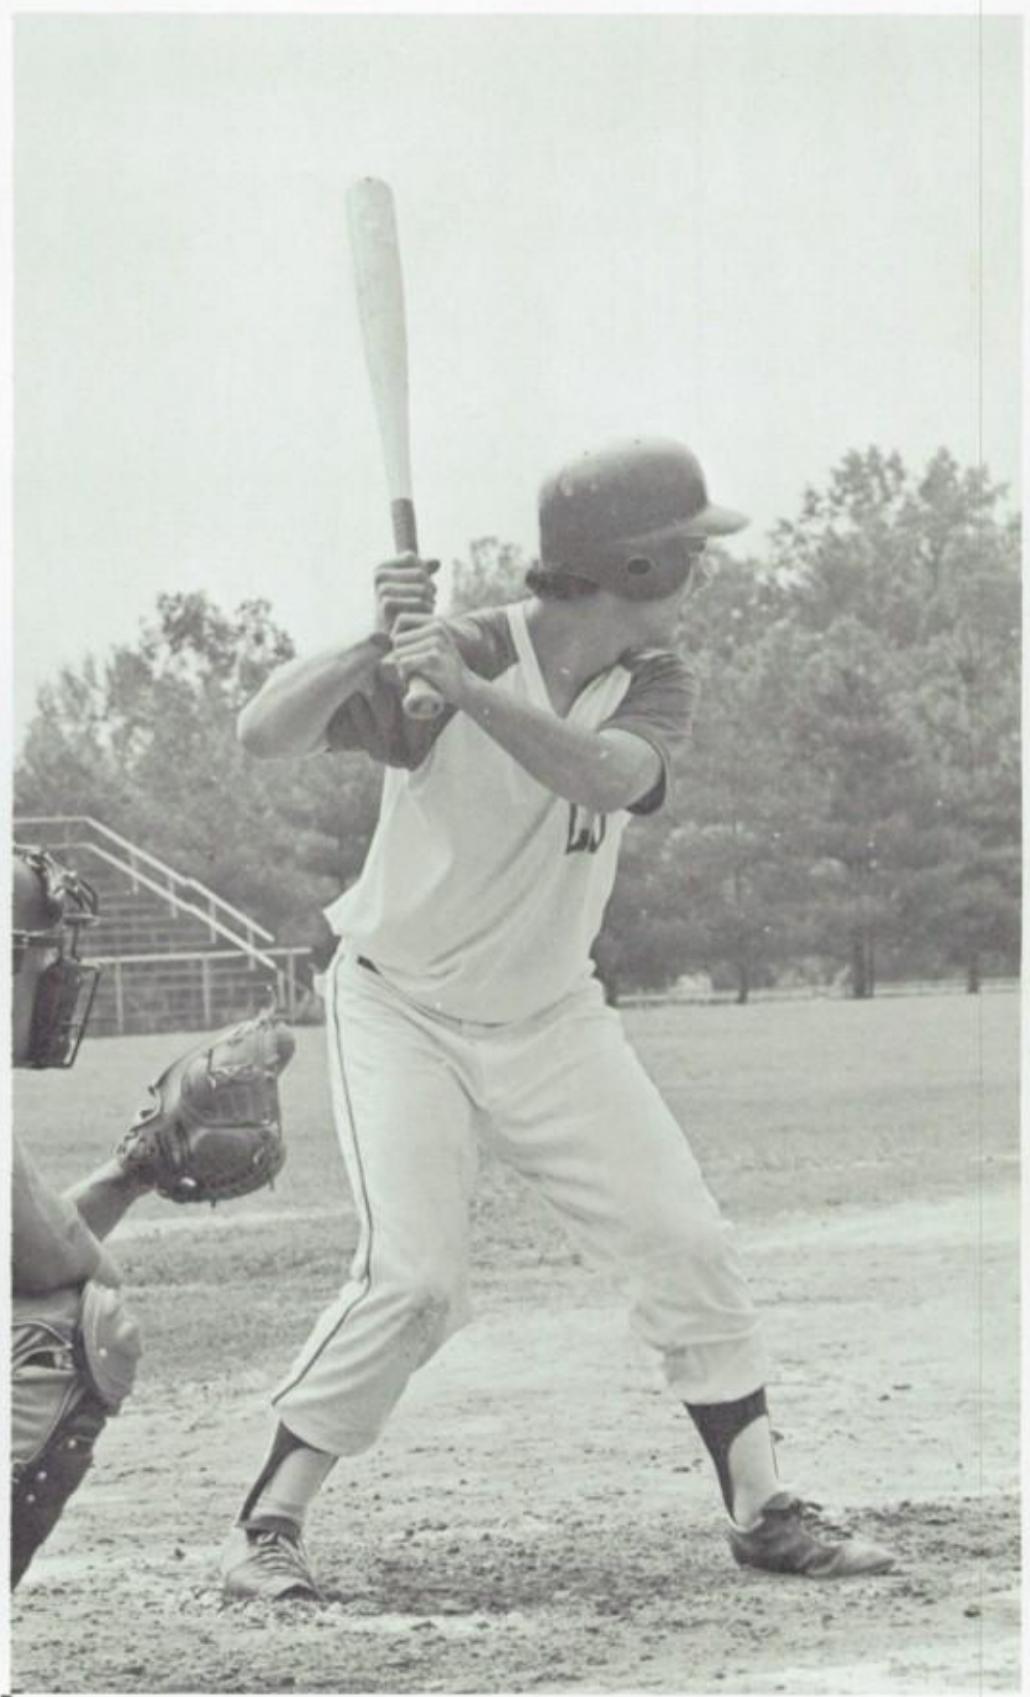

And Special Tribute to . . . Beanie Ballenger

Lee "Beanie" Ballinger was the State Junior Olympic Champion. Last summer, she went to New York to run in the National Amateur Athletic Junior Women's Union track and field meet. Beanie, also, ran for North Carolina's mile relay team and finished second in her heat.

We, at Country Day, are extremely proud of Beanie as she has excelled in a way which no student has before.

FINE ARTS

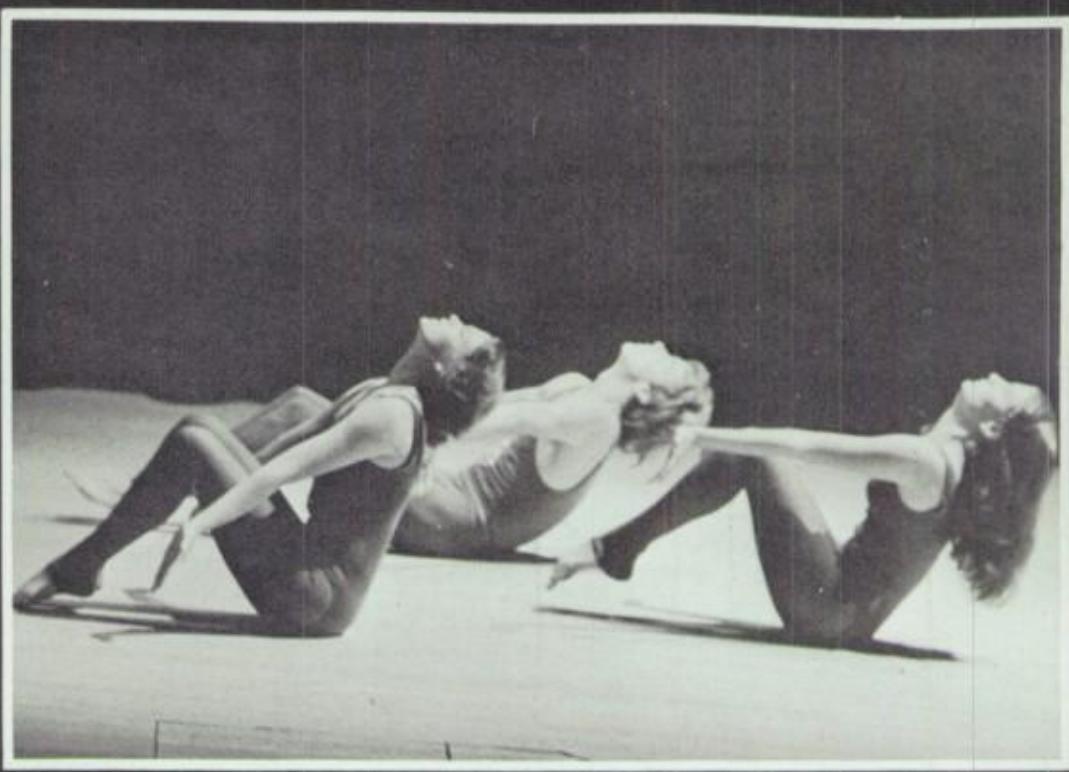

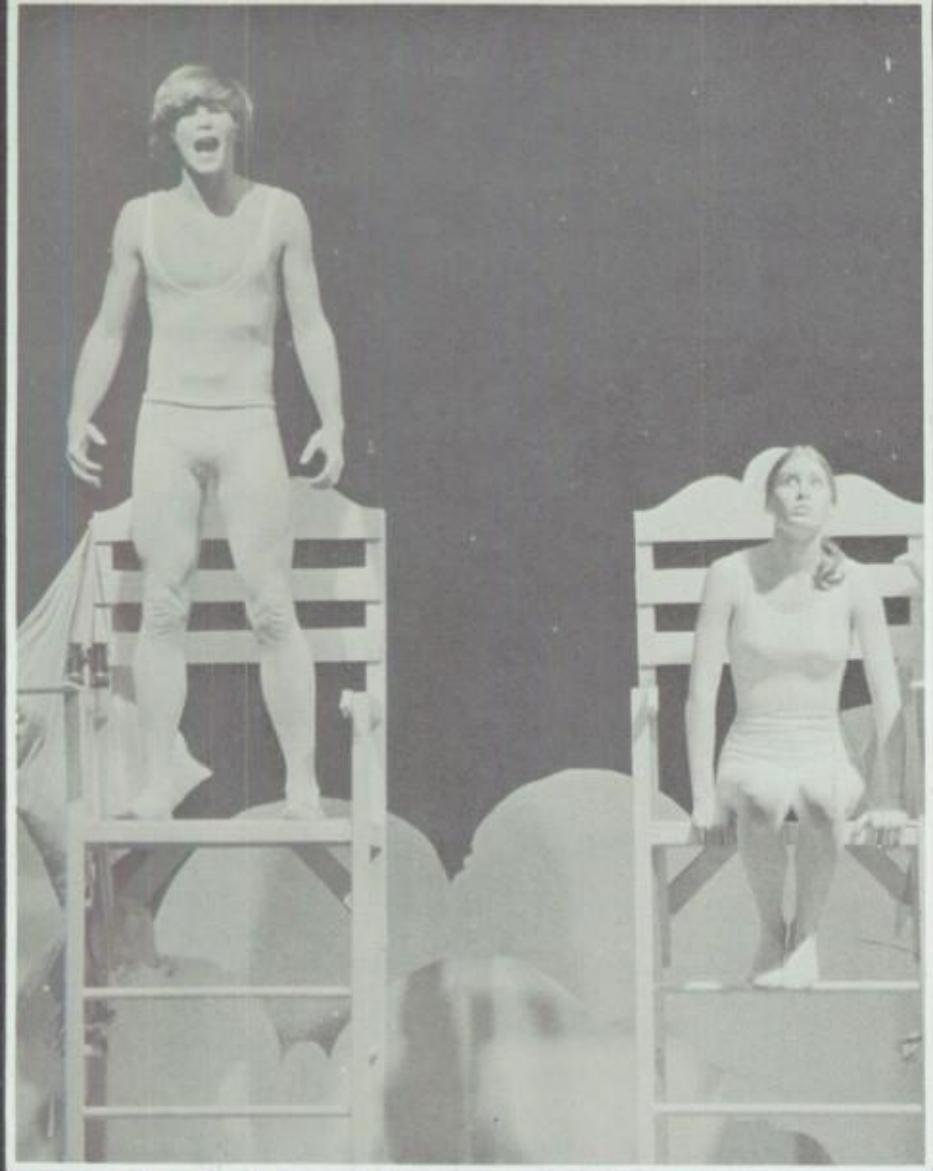

OPENING OF THE FINE ARTS CENTER

The first week of November witnessed the formal dedication of Country Day's New Fine Arts Facility. The program included two one-act plays, "The Babies" and "Riders to the Sea," and two ballets, "To Pre and Percy" and "The Hunt," followed with performances by the Charlotte Symphony and the Charlotte Contemporary Dance Theatre.

The entire dedication was successful and proved to be an appropriate beginning for our new building.

SPORTS

In 1776 the first Americans fought for our country with integrity and pride. Now, two hundred years later, both the Varsity and Junior Varsity teams have fought for Country Day in the same tradition; with integrity, pride, and above all the Rebel Spirit.

As the year closes we have seen victory and defeat, but just like the first Rebels we have ended up on the top. The victories have been glorious and the losses have served to make the school a stronger and more united force. To the teams, the players, and the stars, who have played and fought all year for Country Day, the Postscript dedicates the following section.

VARSITY FOOTBALL

The Varsity Football Team got off to a disappointing start by losing their first two games, being thrashed by West Charlotte and upended by Harding. But the Rebels regrouped by shutting out Ravenscroft, and crushing Gaston Day. The Hogs came back, showing past form from last year. After dismantling Carmel, the Rebels faced Catholic. They stopped Catholic on a dramatic goal line and drove the length of the field for the winning score. The Hogs smashed Patterson, attaining a berth in the playoffs.

After two years as a club sport, soccer moved to the varsity level in the fall of 1975. Thirty-five players showed up at various times for summer practice, but that number finally shrank to twenty-four as the season began. The team was a mixture of former Siesta mainstays, and able newcomers. A record of 11-3 gave the team a tie for the league's regular season championship and a first round bye in the league tournament. For all those involved the season was enjoyable and a definite success.

VARSITY FIELD HOCKEY

Sticks! Advancing! An almost undefeated Varsity Hockey season! The Rebels finished their season losing only one game early in the year. Twelve of the girls attended a weekend hockey camp at Furman University, and later in the season, the Rebels hosted an Invitational Tournament. As a result of the tournament, eight Country Day players were chosen for the Deep South All-Star Team. This All-Star Team played against Furman University; the score ended 1-1. Congratulations ya'll!

The Varsity Volleyball team had a successful season this year; their record being 15-2. They were #1 in their league, and placed first in the C.I.S.A.A. Tournament. The final honor came when two of Country Day's players were chosen for the All Tournament Team.

VARSITY CROSS COUNTRY

This year's cross-country team ran up a winning 17-5 season. Though they were struck with a number of injuries, the Rebels were able to fill in the gaps. They snatched two victories early in the season and remained undefeated on their home course at the close of the fall term. The only disappointment was their 4th place finish in the state meet; running through elements of mud and driving rain. The team would especially like to thank coaches Crowell and Fenninger, who finally got their minds right.

VARSITY BASKETBALL

The Varsity Basketball Team had high hopes for their season, but suffered early losses. Though eight letterman and four starters returned they had a handicap due to the late finish of the football play-offs and the lack of time to prepare for challenging early games. The team had too much talent to continue at that pace and bounced back after hard work during the holiday season. Coaches Broadway and Adams had great expectations for the championship in the C.I.S.A.A.

The girls Varsity Basketball team led by Co-Captains Leslie Pritchard and Brooke Anderson had a very successful 1975-76 season. Although there were few veterans from last winter, the Rebels worked hard and became the team to beat. This year the girls participated in the newly formed CISAA league, composed of local independent schools. Because of the excellent coaching from Miss Clark and the willingness of the girls, the team efforts were rewarded.

VARSITY WRESTLING

Country Day 75-76 Varsity Wrestling team faced a tough schedule, meeting some of the top schools in Mecklenburg County. However they were well prepared for the competition with a strong nucleus of ten returning lettermen, many able newcomers, and the experienced coaching of Rick Bryan. The team led by veteran co-captains Richard Abernathy and Burt Phillips worked long and hard and was definitely a team to be reckoned with.

The Junior Varsity Football team had a good season this year, lead by Co-captains Nolan Mills and Wylie Lowery. Due to long practices and hard work the Rebels improved with each game compiling a season of 5-1. The one loss came as the result of a disputed fumble in a game with Summit. However, the Rebels redeemed themselves in the last game of the season with a sound victory.

Truth is like all beautiful things in existence:
it does not reveal its beauties save to those who
have felt the weight of falsehood. Truth is a hid-

days and wish to all mankind that rejoicing.

On the road of experience
I'm trying to find my own way
Sometimes I wish that I could fly away
When I think that I'm moving
Suddenly things stand still
I'm afraid 'cause I think they always
will.

And I'm looking for space
And to find out who I am
And I'm looking to know and understand
It's a sweet, sweet dream
Sometimes I'm almost there
Sometimes I fly like an eagle and
Sometimes I'm deep in despair.

EDWARD WATSON HEDRICK

WHO CAN SAY?

Lose your dreams and you lose your mind
No goal is to high if we climb with care
and confidence
Nature never breaks her own laws.

I DRIFT LIKE THE WAVES OF THE SEA WITHOUT DIRECTION, LIKE THE RESTLESS WIND

It is quiet and the windows are down, fresh air rolls in carrying nature's music. It blends and mixes with the low sounds of the radio. I lean on the door stretched across the seat. An occasional headlight passes illuminating, interrupting. I journey down the streets of my mind visiting all the old places. All the while my happiness, my sorrows, my peace and my worries sleep on my chest, resting like a child. My journey continues . . . Suddenly I return, the world shakes, my mind panics. The fresh air rushes past. The music stops and the sounds of the increase. It screams out and I run faster, my peace and happiness gone, I am alone. I run faster and faster, my goal is in sight, I hurry. I arrive, in time, safe, I will live till tomorrow but for now I collapse unconscious.

FRANCES WRIGHT HENDERSON

Don't let it bring you down
It's only castles burning
Find someone who's turning
And you will come around.

Neil Young

And the seasons they go round and round
And the painted ponies go up and down
We're captured on a carousel of time
We can't return we can only look
Behind from where we came
And go round and round in
the circle game.

PRISCILLA JAYNE JUSTIS

Well I live on a ridgetop
And Lord knows I like it just fine
Where it's windy and foggy
And quiet most of the time
My lawn is pine needles
And my driveway is ole funky dirt
An' my front pathway markers
Are pieces of granite and chert . . .

Yes the hill that I live on
Is steep and the road's full of ruts
And the people who live in the flat land
Think we folks are nuts
But the ruts in my road
And the curves keep the tourists at Bay
And it's lonesome and it's peaceful
And you know I like it that way.

"Look for the best in life, not the worst. It is surprising how many good people there are about if you will look for them. Putting yourself out of the center of your thinking and putting Christ there makes life more important and exciting.

Live in the present, not dwelling on past failures. Why worry when you have the promise of God, "My presence shall go with thee, and I will give thee rest . . . Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid . . . Declaration of Independence

In Assembly, June 6, 1976

The Unanimous Declaration of the Graduating Class of '76

When after the Course of twelve scholastic years it becomes necessary to dissolve the close ties which have connected us to Country Day and to each other and to move on to greater pursuits, it also proves necessary to reflect on the many benefits which this Institution has bestowed upon us.

Among these benefits are

- a thorough, well-rounded education academically, socially, and emotionally
- invaluable one to one relationships with instructors
- the freedom not only to pursue academic goals but extracurricular ones as well
- the opportunity to learn and act independently
- the ability to cope with this independence responsibly and maturely
- the Development of many close long-lasting Friendships
- and finally many unforgettable memories.

We, therefore, the Class of Nineteen Hundred and Seventy-Six, Assembled, having carefully considered the aforementioned benefits do hereby resolve and declare that Charlotte Country Day School is worthy of our highest esteem and praise. For all these things, we feel an inexpressible gratitude that will only be fully manifested in the way in which we deal with future encounters of all kinds. And for the support of this Declaration with a firm reliance on the Protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.
